## FLANKING MOVEMENT

JAPS PLAN TO EXECUTE ONE ON THE RUSSIAN FORCES NOW AT MUKDEN.

## BIG ARMIES ARE IN MOTION

THE GREATEST BATTLE OF THE PRESENT WAR MAY SOON BE IN PROGRESS.

Indications are discerned at St. Petersburg that the Japanese are planning a flanking movement against General Kuropatkin's left, to compel retirement from Sintsintin. General Kuropatkin is supposed to design crossing the Hun river at a point considerably east of Mukden, from which he is expected to move down that stream and co-operate with an army from Sianchan, while Generals Oku and Nodzu hold General Kuropatkin south of Mukden. Japanese attacks on Da pass and Sanlungku are regarded as confirmation of this theory. Outposts of General Oku and Nodzu have been in conflict with Cossacks between Bentsiaputze and the railroad. No news has been received from Port Arthur.

## ADVANCE ON MUKDEN

FIVE GREAT JAPANESE ARMIES ARE MARCHING AGAINST THE RUSSIANS.

Mukden, Sept. 27.—The developments of the past twenty-four hours give more concern to army officers here than anything else that has happened since the battle of Liaoyang, for it is apparent that the strength of the Japanese advance was vastly underestimated a few days ago, when Kuropatkin was less familiar with the enemy's position than he is now. Sharp skirmishes at more than a dozen points east of the peninsular railway and east as well as southeast of this city and several severe outposts fights west of the railway show that five great armies are massing against the Russian position, and that the attack on Mukden will be far more vigorous than the most furious onslaughts of the Japs in any other stage of the upper Manchurian campaign.

## FRESH TROOPS ARRIVING.

Reason for Long Delay in the Japanese Advance on Mukden.

St. Petersburg, Sept. 27.—The cause of the extreme deliberation in the Japanese advance on Mukden is explained by a dispatch received from General Kuropatkin, which indicates that Field Marshal Oyama has not yet concentrated his forces. Fresh troops are constantly arriving at Bentsiaputze, while others which recently reached Liaoyang are marching up the Taitse river to Sianchan. These reinforcements presumably come from Japan. As soon as the fourth Japanese army at Sianchan is sufficiently strong, it is now evident, the Japanese intend to resort to their favorite flanking tactics, move a formidable array against Kuropatkin's left and compel the evacuation of Sintsintin. They are evidently reconnoitering the ground over which the Sianchan army will march up and cross the river. Meanwhile General Kuropatkin is trying to seize and cross the Hun river far east of Mukden. Thence he will move down the river and co-operate with the fourth army from Sianchan, while Generals Oku and Nodzu engage Kuropatkin's attention south of Mukden. The attacks on Da pass and Sanlungku Sept. 29 were the first symptoms of this vast flanking movement.

Kuropatkin now reports that Japanese scouts have been encountered near the Hun river, half way to Mukden, trying to seize Kaoutou pass, ten miles northeast of Bentsiaputze, in order to clear the way to Fushun, and that Oku's and Nodzu's outposts have been engaged in skirmishing with Cossacks near Inpu, between Bentsiaputze and the railroad.

## SHIPS TO MAKE A DASH.

Russian Vessels at Port Arthur Will Try to Reach Europe.

St. Petersburg, Sept. 27.—The naval organ Kotlin publishes an article predicting that Rear Admiral Viron will attempt to break out of Port Arthur with his ships and return to Europe. The paper admits that the task of escaping from Admiral Togo appears to be hopeless, if one takes for comparison Admiral Cervera's attempt to get away from Santiago, but adds that Viron's men, unlike the Spaniards, have had plenty war experience.

## COAL AT PORT ARTHUR.

Plenty of Fuel Still Stacked on the Tiger's Tail.

London, Sept. 27.—Telegraphing from Chefoo, the Correspondent of the Daily Mail says:

"Photographs received from Port Arthur which were taken as late as Sept. 14, show that piles of coal stacked on the Tiger's Tail at the beginning of the war are still there."

## WRECK ON THE BURLINGTON.

One Person Killed and a Number Injured, Three Probably Fatally.

Peoria, Ill., Sept. 27.—As a result of a washout on the Burlington railroad two miles east of Elmwood two passenger cars were derailed, one man killed and three seriously, probably fatally, injured.

The wreck took place at the junction of a small stream and the Kickapoo creek. A terrific rain storm visited that section during the night and the roadbed of the track was washed out for a short distance, leaving the rails suspended in the air. The train struck the unsupported rails at a high speed. The engine got across and left the track, but remained upright. The baggage car was hurled into a deep ditch and the smoker on top of it. The chair car remained on the track.

About a dozen of the passengers received bruises and minor injuries. The engineer and fireman remained on their engine. The track was torn up for a distance of 300 feet.

## ARMY HAS GROWN TOO LARGE.

One Man Cannot Handle Russian Forces in Manchuria.

St. Petersburg, Sept. 27.—The Russ and the invalid, both referring to a matter-of-fact tone to the imperial rescript issued on Sunday, simply say it was necessitated by the fact that the Manchurian army has grown beyond the size which even Napoleon found one man could handle successfully. The Russ adds the hope that General Kuropatkin will be allowed to assume supreme command and thus reap the fruits of ultimate victory, for which he has so long carefully and self sacrificingly prepared.

## STREET CAR AND AUTO COLLIDE.

Three Persons Seriously Injured in the Accident.

Pittsburg, Sept. 27.—A collision between W. L. Dixon's automobile and an Avoly street car Monday resulted in the serious injury of W. L. Dixon, James Wilson and George Turner. Dixon and Wilson will be lamed for life.

The automobile was smashed to pieces and a small sized panic created among the street car passengers, many women fainting but none of the passengers being seriously hurt.

## MAY CAUSE TROUBLE

## ARREST AND FINING OF THIRD

SECRETARY OF BRITISH EMBASSY.

Pittsfield, Mass., Sept. 27.—Hugh Gurney, third secretary of the British embassy, was Monday fined in the police court at Lee on two charges. For contempt of court he was fined \$25. A similar fine was imposed in a case charging him with speeding his automobile in Stockbridge Sunday. Mr. Gurney, when arraigned, positively refused to plead, claiming that as he was the third secretary to his Britannic majesty, he could not under international law be arrested or held for any crime. Special Justice Phelps said he did not recognize international law in his court and informed the defendant that he must enter a plea. Mr. Gurney persisted in his refusal. Then a fine was imposed for contempt of court.

Washington, Sept. 27.—Notice of the action of a special justice at Lee, Mass., in fining Hugh Gurney was received at the state department in a telegram from Mr. Raikes, first secretary of the British embassy, who is at Lenox. The department immediately transmitted this telegram to the governor of Massachusetts with the suggestion that he do whatever might be necessary to secure the diplomatic immunity of Mr. Gurney. It is believed at the department that the matter may be far more serious than the local officials at Lee seem to regard it.

In the first place, by constitutional and statutory law the persons attached to an embassy are expressly relieved from any legal responsibility.

## LADY CURZON IMPROVING.

Less Oxygen Administered and Patient Takes Nourishment Better.

Walmer Castle, Kent, Sept. 27.—The oxygen treatment of Lady Curzon is being continued, but the oxygen is administered in less quantity and the patient is taking nourishment better.

Lord Curzon for the first time in a week, ventured out for a walk on the sea front Monday.

Arrangements have been made to keep Mrs. Leiter, who is a passenger on the steamer Vaderland, informed by wireless telegraph of the condition of her daughter.

## SOLD AT PUBLIC AUCTION.

Union Iron Works Bought by New Shipbuilding Company.

San Francisco, Sept. 27.—The Union Iron works, one of the proteties of the former United States Shipbuilding corporation, was sold at public auction Monday by order of the federal court of the district of New Jersey.

James Smith, Jr., receiver of the corporation, conducted the sale. There was only one bid of \$1,700,000, the minimum, made by the reorganization company of the shipbuilding concern, and it was accepted.

## Columbian Senate Unfriendly.

Bogota, Sept. 27.—President Reyes is meeting with much opposition in the Colombian senate to the resumption of amicable relations with the United States.

## FALL MILLINERY OPENING!

We take pleasure in announcing an elaborate display of Correct Millinery, beginning

Thursday, Sept. 29

and continuing for THREE Days.

Our showing for the coming season will be more extensive than heretofore, and in point of prices, variety and display will be unrivalled.

The McFadden Millinery Parlors

## HATCHED IN GENEVA

## PLOT THAT RESULTED IN ASSASSINATION OF RUSSIAN MINISTER VON PLEHVE.

## WORK OF JEW CONSPIRATORS

## LONG SERIES OF CRIMES BLAMED ON THE REFUGEES NOW IN SWITZERLAND.

St. Petersburg, Sept. 27.—While some of the features of the plot which culminated in the assassination of M. von Plehve, the minister of the interior, still baffle the police, the authorities profess to be now perfectly certain that the conspiracy was hatched in Geneva by half a dozen Russian subjects, mostly Jews. The authorities know the names and addresses of the conspirators, but are unable to take legal action against them owing to the failure of the law of Switzerland to interfere with political refugees, and therefore Russian terrorists are at liberty from their haven in the Alps to keep the work of assassination of ministers up, so long as they are able to find emissaries willing to risk their lives, the organizers never venturing to carry out their own designs. Six men who engineered the Plehve plot are declared beyond shadow of doubt to have organized the series of political crimes, with the exception of the murder of M. Bobrikoff, the governor general of Finland, which began with the assassination of M. Bogdanovitch, governor of Ufa, on May 19, 1903, and ended with the blowing up of Mr. Plehve on July 28 of this year. It now transpires that four other attempts had been made on the life of M. Plehve. All the would-be assassins were captured.

## TALKS ON IRRIGATION.

Senator Fairbanks Making a Tour of Montana Cities.

Billings, Mont., Sept. 27.—Senator Fairbanks spent the greater part of Monday discussing irrigation. The day was devoted to a tour of the Yellowstone country, beginning at Glendive, on the eastern border of Montana, and closing at this point, not far from the center of the state.

Ex-Senator Carter, who was a member of Senator Fairbanks' party, came in for much praise as one of the early movers to national aid to irrigation, from both Senators Fairbanks and Dooliver.

Stops for political meetings were made during the day at Glendive, Miles City and Forsythe, and the night was spent here, where a largely attended and very enthusiastic meeting was held. Here Mr. Fairbanks discussed at length the effects of the reclamation act. He recalled senate recommendations for national aid made by Senator Carter when he was commissioner of the general land office in 1891, and, dwelling at length on the general question of irrigation, entered upon a discussion of President Roosevelt's part in securing the enactment of the existing law.

## LOOKS FOR A TERRIBLE WAR.

Melton Prior Believes Far Eastern Conflict Will Spread.

Honolulu, Sept. 27.—Melton Prior, the British newspaper correspondent, who arrived here Monday on the Pacific mail steamer Mongolia, from Yokohama, says he feels absolutely certain that the war in the far East will lead to European complications and to the most awful war in the world's history.

## CONGRATULATE JUDGE PARKER.

Prominent Democrats Pleased With His Letter of Acceptance.

Esopus, N. Y., Sept. 27.—Many telegrams came to Rosemont Monday congratulating Judge Parker on his letter of acceptance. Some of the dispatches came from prominent figures in the Democratic party and not a few from editors. A delegation of thirty-six Democrats from Poughkeepsie came to Rosemont at 5 o'clock Monday and spent an hour with Judge Parker.

Judge Alton B. Parker and his secretary will go to New York Tuesday.

## SHOT BY MASKED ROBBERS.

Three Men Badly Wounded in a Seattle Saloon.

Seattle, Wash., Sept. 27.—Two masked robbers entered Lou Conway's saloon Monday, shot Conway, James Murphy and Gilbert McBeath and escaped. Murphy will die, Conway's right arm will be amputated and McBeath is badly hurt in the side. The robbers took \$100 from the cash drawer and a watch from Conway's pocket.

## TWO MEN SUFFOCATED.

Another Man Badly Burned Trying to Rescue Them.

Como, Colo., Sept. 27.—August Johnson and Roy Miller were suffocated to death Monday by a fire which destroyed the head house at Thelmaden tunnel in Tarryall district. L. C. Kink, superintendent of the mine, was badly burned in trying to rescue the two men, who were cut off from escape in the tunnel.

## Bryan Opens Nevada Campaign.

Reno, Nev., Sept. 27.—W. J. Bryan opened the Democratic campaign in Nevada at the opera house Monday night. The house was packed, despite a heavy rain storm. Mr. Bryan spoke for an hour or more on the different issues of the campaign, urging the people to support Parker and Davis.

## EARLY IN COMING YEAR.

Probable Date of Meeting of Second Peace Conference.

Washington, Sept. 27.—President Roosevelt's announcement to the delegates to the Interparliamentary union that at an early date he would invite the nations of the world to send delegates to a second peace conference whose work should be supplemental to that of the conference at The Hague is regarded as a historic advance toward the adjustment of international difficulties through the medium of arbitration. Quite naturally the question arose as to how soon the president might call the conference. He did not indicate in his address the probable time of his issuance of the call, but it can be stated that he will not await the conclusion of peace between Japan and Russia, both signatories to The Hague convention, before issuing his call. It is his present intention in about six weeks to bring the matter to the attention of the nations of the world with a view to ascertaining their desires as to the time and place of holding the second conference.

## TOUR OF WEST VIRGINIA.

Henry G. Davis Completes His Plan for the Trip.

New York, Sept. 27.—Daniel McConville, chairman of the speakers' bureau of the Democratic national committee, has received a letter from Henry Gassaway Davis in which the vice presidential candidate said that he had completed arrangements for his speaking tour through West Virginia. The start will be made from Baltimore on Oct. 10, after a meeting in that city which will be addressed by Mr. Davis, Senator Gorman, ex-Senator William Pinckney White, Senator Daniel of Virginia and ex-Senator Hill of New York. Senators Daniel, Hill and Whyte will accompany Mr. Davis on his entire trip through West Virginia.

## WE CARRY Minnesota Linseed Oil Co's. Mixed Paints

The best on the Market.

These paints have been thoroughly tried here and have good spreading and wearing qualities. We also have a full line of Floor Paints and Colors in Oil, Lampblack, Ochre, etc. Pure Linseed Oil, Turpentine and Varnishes.

Major Eva arrived this afternoon from Duluth.  
L. J. DeMules, of St. Cloud, is registered at the City hotel.  
D. D. Schrader returned from the twin cities this afternoon.  
M. P. Orchard left for Duluth this afternoon for a few day's visit.  
R. E. McFarland, supervisor of bridges and buildings, is in the city today.  
Attorney C. J. Lockwood, of Minneapolis, is in the city on legal business.

Prof. Woodard came in from his Bay Lake resort this afternoon on business.  
H. L. DeMeules returned today from a visit with friends and relatives in Iowa.

J. A. Kirkwood, of Duluth, called on the trade in the city yesterday afternoon.

Mr. and Mrs. Earl Benjamin returned yesterday afternoon from their eastern wedding trip.

M. J. Chase, of Minneapolis, who has been visiting in the city left this afternoon for home.

Supt. Blanchard, of the Superior division, was in the city for a short time today on business.

H. M. Gann came down from the north this afternoon and left for Minneapolis on business.

Attorney Frank F. Price, who is interested in the suit against the village of Grand Rapids, is in the city.

J. F. Hawkins and little Miss Katharine Hawkins left this afternoon for Minneapolis for a brief visit.

Mrs. Christianson, who has been visiting in the southern part of the state, returned home this afternoon.

Mr. and Mrs. Harris, of Eau Claire, Wis., arrived in the city this afternoon for a visit with Miss Julia McGrath.

Mrs. E. C. Knudson, who has been the guest at the home of the Misses Tyler, left this afternoon for her home in Minneapolis.

The Ladies' Aid society of the Presbyterian church will hold its regular weekly meeting Wednesday afternoon at the home of Mrs. W. P. Robertson, 407 north Broadway.

F. M. Dolan, who has been working in the Edwards-Wood company office in this city, left today for Little Falls.

where he will take charge of the office of the Coe Commission company.

C. C. Kyle has announced his candidacy for the nomination of city treasurer at the coming republican city convention. Mr. Kyle's popularity and wide personal acquaintance will make him a strong candidate for the position.

Miss Jessie Tyler was taken to the Northern Pacific sanitarium yesterday afternoon where she was operated on for appendicitis. The operation was successful and the young lady's many friends will be pleased to learn that she is getting along nicely.

#### TO RESUME WORK

First Meeting of the Year of the Ladies' Musical Club Will be Held Next Saturday Afternoon

Next Saturday being the first of October, the Ladies' Musical Club in accordance with Article II of its constitution, will resume its regular bi-weekly meetings. The first meeting known as the "President's reception" will be held this year at the home of Mrs. Irma Hartley, No. 21 Bluff Ave. North at 3 o'clock on Saturday afternoon, Oct. 1st. A meeting of the executive board will be held at the same place at 2:15. The afternoon's entertainment will consist of a musical program followed by light refreshments. A full attendance of members is requested, as several matters of general importance are to be considered.

All members are requested to bring their membership cards. The Ladies' Club has made splendid progress in the two years of its existence and begin this new term, full of anticipation of good things in the future.

The club feels very much elated at having been favorably mentioned in the writings of Mr. Arthur Farwell, of Boston, one of the leading men in musical culture in the east. Mr. Farwell gave a lecture recital here last winter on the "Music and Myth of the American Indians." The members of the club here assisted in the evening's program. Mr. Farwell speaks of his trip through the country from east to west, and tells of the surprises in store for one in regard to the cultivation and study of music in several prominent cities, including Rochester, N. Y., Columbus and Cleveland, O., Chicago, St. Louis, Minneapolis and St. Paul, and then says: "Let anyone go to Brainerd, Minnesota, who wishes to learn what degree of culture the wild west may conceal, and what quality of support and appreciation the plains may lend to a musical enterprise." Considering the embryonic stage of organized musical effort in Brainerd, the club deems this highly encouraging.

Nettleton loans money, on improved city property and farms.

Here October 22

The democratic county committee is making arrangement for a meeting at the Brainerd opera house for October 22, when Hon. J. A. Johnson, candidate for governor and Hon. F. G. Winston, candidate for lieutenant governor, will be present to speak.

Full line trunks and grips at D. M. Clark & Co.

#### MAYOR HALSTED FOR REELECTION.

While it is some weeks before the city election takes place it is none too soon to consider the subject of city officers that the best men may be placed in control of city affairs. During the past year the city has prospered and forged ahead keeping pace with the growing cities of the northwest and the coming year bids fair to be as prosperous as the past. A progressive city should have a progressive man at the head of its business affairs, a man whose business ability and fitness for the position is in keeping with the city he represents and to a

certain degree governs. Past experience has taught us that it is a wise policy to keep a good official when the opportunity presents itself and THE DISPATCH is of the opinion that the people of Brainerd can do no better than to retain its present executive, A. J. Halsted. For several terms the voters of Brainerd have seen fit to elect Mr. Halsted to the position of mayor and he has not disappointed them in the administration of public affairs. He is a representative man, broad gauged, and thoroughly acquainted with the needs of the city he represents, and his wise and conservative government has won him words of praise from all who have the best interest of the community in which they live at heart.

THE DISPATCH does not desire to place Mayor Halsted in a wrong light before the people, for while he has stated that he would accept the office another term if it is the general desire that he do so he is not anxious to enter into a general scramble for the place. It is entirely an honorary office and carries with it much responsibility and labor and to get the best results the candidate should feel that the people desire his services and that the office seeks the man, and we believe this to be the case.

Mayor Halsted has been a resident of Brainerd for over 20 years and during all of that time he has been identified with the best interests of the city and has seen it grow from a mere hamlet to a thriving metropolis. He has always been a friend of the laboring man and for over 34 years has been identified with organized labor, and is today, and his friends are numbered by the score among all classes of people. We believe that all factions could unite on him for the nomination and election with the least friction than possibly any other candidate, for the reason that his policy is defined and the fact that no fault has been found with his administration.

#### WILL RECEIVE HEARTY SUPPORT.

John T. Frater of Brainerd, the republican nominee for state senate, was in Little Falls Monday. He was the unanimous choice of the republicans of Crow Wing county. The republicans of Morrison want and need a representative in the senate who will in be party affiliation with the overwhelming republican majority in that body. John Frater in the senate can ably assist Rider and Bouck in the house, and all three candidates will receive hearty support in Morrison county.—Little Falls Transcript.

#### MUSIC AND SONG

And a Delightful Social Evening at Gardner Hall on Thursday Evening Next

Tickets for the concert and social at Gardner hall, Thursday evening under the auspices of the Vestry of St. Paul's church are going like hot cakes. All society folk will be there and everybody will enjoy the music and have a good time.

The concert program is an exceptionally fine one, and includes only local artists of established reputation. All are published favorites. Prof. J. E. Woodward, the great singer of Minneapolis, is a prominent Elk, and sang at the recent anniversary exercises of the Brainerd lodge. The antlered fraternity should turn out in force and give Bro. Woodward the glad hand.

A pretty feature of the entertainment will be the beautiful march and chorus, "I'll be Your Rain Beau", by the Bachelor Maids. Dr. Lew Chambers will contribute some humorous impersonations. There will be several other new features.

Sykora's orchestra will furnish music for the social. Refreshments will be sold in the hall. Tickets are now on sale at Johnson's Pharmacy and Walter's shoe store. Remember concert begins promptly at 8:15.

You can own a nice warm home. \$100 cash and rent money.—Nettleton.

#### TO RESUME WORK

First Meeting of the Year of the Ladies' Musical Club Will be Held Next Saturday Afternoon

Next Saturday being the first of October, the Ladies' Musical Club in accordance with Article II of its constitution, will resume its regular bi-weekly meetings. The first meeting known as the "President's reception" will be held this year at the home of Mrs. Irma Hartley, No. 21 Bluff Ave. North at 3 o'clock on Saturday afternoon, Oct. 1st. A meeting of the executive board will be held at the same place at 2:15. The afternoon's entertainment will consist of a musical program followed by light refreshments. A full attendance of members is requested, as several matters of general importance are to be considered.

All members are requested to bring their membership cards. The Ladies' Club has made splendid progress in the two years of its existence and begin this new term, full of anticipation of good things in the future.

The club feels very much elated at having been favorably mentioned in the writings of Mr. Arthur Farwell, of Boston, one of the leading men in musical culture in the east. Mr. Farwell gave a lecture recital here last winter on the "Music and Myth of the American Indians." The members of the club here assisted in the evening's program. Mr. Farwell speaks of his trip through the country from east to west, and tells of the surprises in store for one in regard to the cultivation and study of music in several prominent cities, including Rochester, N. Y., Columbus and Cleveland, O., Chicago, St. Louis, Minneapolis and St. Paul, and then says: "Let anyone go to Brainerd, Minnesota, who wishes to learn what degree of culture the wild west may conceal, and what quality of support and appreciation the plains may lend to a musical enterprise." Considering the embryonic stage of organized musical effort in Brainerd, the club deems this highly encouraging.

Nettleton loans money, on improved city property and farms.

Here October 22

The democratic county committee is making arrangement for a meeting at the Brainerd opera house for October 22, when Hon. J. A. Johnson, candidate for governor and Hon. F. G. Winston, candidate for lieutenant governor, will be present to speak.

Full line trunks and grips at D. M. Clark & Co.

#### MAYOR HALSTED FOR REELECTION.

While it is some weeks before the city election takes place it is none too soon to consider the subject of city officers that the best men may be placed in control of city affairs. During the past year the city has prospered and forged ahead keeping pace with the growing cities of the northwest and the coming year bids fair to be as prosperous as the past. A progressive city should have a progressive man at the head of its business affairs, a man whose business ability and fitness for the position is in keeping with the city he represents and to a

certain degree governs. Past experience has taught us that it is a wise policy to keep a good official when the opportunity presents itself and THE DISPATCH is of the opinion that the people of Brainerd can do no better than to retain its present executive, A. J. Halsted. For several terms the voters of Brainerd have seen fit to elect Mr. Halsted to the position of mayor and he has not disappointed them in the administration of public affairs. He is a representative man, broad gauged, and thoroughly acquainted with the needs of the city he represents, and his wise and conservative government has won him words of praise from all who have the best interest of the community in which they live at heart.

THE DISPATCH does not desire to place Mayor Halsted in a wrong light before the people, for while he has stated that he would accept the office another term if it is the general desire that he do so he is not anxious to enter into a general scramble for the place. It is entirely an honorary office and carries with it much responsibility and labor and to get the best results the candidate should feel that the people desire his services and that the office seeks the man, and we believe this to be the case.

Mayor Halsted has been a resident of Brainerd for over 20 years and during all of that time he has been identified with the best interests of the city and has seen it grow from a mere hamlet to a thriving metropolis. He has always been a friend of the laboring man and for over 34 years has been identified with organized labor, and is today, and his friends are numbered by the score among all classes of people. We believe that all factions could unite on him for the nomination and election with the least friction than possibly any other candidate, for the reason that his policy is defined and the fact that no fault has been found with his administration.

#### WILL RECEIVE HEARTY SUPPORT.

John T. Frater of Brainerd, the republican nominee for state senate, was in Little Falls Monday. He was the unanimous choice of the republicans of Crow Wing county. The republicans of Morrison want and need a representative in the senate who will in be party affiliation with the overwhelming republican majority in that body. John Frater in the senate can ably assist Rider and Bouck in the house, and all three candidates will receive hearty support in Morrison county. Little Falls Transcript.

#### MUSIC AND SONG

And a Delightful Social Evening at Gardner Hall on Thursday Evening Next

Tickets for the concert and social at Gardner hall, Thursday evening under the auspices of the Vestry of St. Paul's church are going like hot cakes. All society folk will be there and everybody will enjoy the music and have a good time.

The concert program is an exceptionally fine one, and includes only local artists of established reputation. All are published favorites. Prof. J. E. Woodward, the great singer of Minneapolis, is a prominent Elk, and sang at the recent anniversary exercises of the Brainerd lodge. The antlered fraternity should turn out in force and give Bro. Woodward the glad hand.

A pretty feature of the entertainment will be the beautiful march and chorus, "I'll be Your Rain Beau", by the Bachelor Maids. Dr. Lew Chambers will contribute some humorous impersonations. There will be several other new features.

Sykora's orchestra will furnish music for the social. Refreshments will be sold in the hall. Tickets are now on sale at Johnson's Pharmacy and Walter's shoe store. Remember concert begins promptly at 8:15.

You can own a nice warm home. \$100 cash and rent money. - Nettleton.

## FOR A GENERAL SEWER SYSTEM

City Engineer Woolman Instructed  
to Prepare Plans and Esti-  
mates for Same at Once

LATERAL PETITIONS GRANTED

And the City Clerk Instructed to  
Advertise for Bids for Their  
Construction.

An adjourned meeting of the city council was held last night in chambers and the body really accomplished more business in the short time that it was in session than at any previous session in a long time. President Crust was in the chair and the following aldermen took their seats: Halladay, Murphy, Rowley, McGinn, Larson and Robertson.

The meeting was designed for a purpose last night and the members immediately proceeded to tackle two questions of importance, the question of the lateral sewers in the first sewer district in the second ward and the matter of sewer warrants for the payment of the

work on the district sewer.

There were three petitions in last night for lateral sewers in the Second ward. The first read was from residents living in blocks 110, 130, 172 and 190. These blocks are located between Third and Fourth streets and extend from Juniper street to Bluff avenue north. Engineer Woolman had plans and a profile drawn for this lateral and it shows that the line will run through the property at the rear end of the lots. There is no alley through these blocks, but the residents were anxious to have the lateral through so there was little or no difficulty in finding a way to construct the sewer.

The second petition was from residents in blocks 72, 74, 44 and 46. These four blocks compose a square taking in the territory between Juniper street on the north and Main street on the south and bounded on the east by Seventh and on the west by Fifth. The plans for this sewer, as drawn up by the city engineer, showed that the lateral would commence in the center of block 74 running west from there to Fifth street and thence north to connect with the main sewer. A branch will commence in the alley in block 46 and will run north to connect with the other branch in the center of block 72.

The third petition was from property

holders in blocks 40, 78, 100 and 140, which run between Main and Holly streets between Eighth and Ninth streets. The engineer had no plans drawn for this sewer, but it will be at the rear of the lots straight through the blocks.

A general discussion of the lateral sewer question was then indulged in. At the last meeting of the council some matters were referred to the sewer committee but this committee was not ready to make a report last night. Attorney Mantor was present and by his legal advice seemed to assist the council materially and they moved on his direction and seemed less timid about acting. He stated that it was not necessary that even a petition be presented from the property holders for these laterals; that the council had full power in the matter and could act as they saw fit.

A resolution was offered and passed granting these petitions and creating the laterals above referred to, the same being provided by Chapter 312, of the General Laws of Minnesota. The first one mentioned will be known as "Lateral Division D." There was but one alderman who voted against this resolution. It was Alderman Larson, but he seems to be opposed to the sewer proposition for some reason.

A motion then prevailed that City

Clerk Low advertise for bids for the construction of the first two named laterals, according to plans and specifications on file in his office, bids to be opened on October 24.

As there were no plans for the third named lateral it was necessary to have a separate motion. It was moved that the city clerk also advertise for bids for this lateral, providing that plans and a profile of the work to be done be furnished before the publication of the advertisement for bids.

A motion was made that it be specified that the work on these laterals be completed by December 15.

While dwelling on the sewer question there was considerable discussion regarding district sewers and laterals in other wards of the city, a matter which heretofore has not been considered to any extent. It seems that some of the other wards are anxious to get in sewers at once, particularly the Third ward, and the representatives from this ward were anxious that specific action be taken last night.

In this connection Alderman Rowley was of the opinion that decisive action should be taken regarding sewerage in all of the wards of the city, not the Third ward alone, and was in favor of instructing the city engineer to proceed to furnish plans and an approximate estimate of the cost of the district and lateral sewers in each ward in the city where it is deemed that sewerage is an absolute necessity. Much opposition was raised to this plan by Alderman Halladay and President Crust who thought that the Third ward ought to be laid out as district No. 2 and that the engineer should proceed to lay out the sewers in sections. Alderman Rowley stated that he had no objection and in fact was willing to embody in a motion that the engineer do his work first in the Third ward.

Attorney Mantor brought up a point in connection with the sewers that set the aldermen to thinking. He stated that should the next census disclose that Brainerd has a population to exceed 10,000, in his opinion, the law providing for these sewers would become inoperative. This put the council on its metal and some of the members were more anxious than ever that decisive action regarding a general sewerage system throughout the city be taken.

A motion was made, therefore, that City Engineer Woolman be instructed to go ahead and make plans and furnish estimates for a sewerage system, including district and lateral sewers, for the entire city, but that he proceed with the Third ward first. The motion carried and Engineer Woolman will proceed to get busy.

### THE SEWER WARRANTS.

A very important transaction last night and one which has been anxiously looked for was the provision made for the payment of the expense incurred in putting in the Second ward district sewer. Up to the present time the contractor who has done this work has not had a dollar, because no provision was made for the expense. Under the law, which has been rehearsed in these columns before, the council has a right to issue sewer warrants. In the first place this was done and the warrants were printed, but the banks of the city were not satisfied with the form and it had to be all done over again. The banks' representative, Judge Mantor, was secured to prepare the warrants and last night they were read, and the following was, on motion of Alderman Robertson, unanimously adopted:

"Moved, that in the anticipation of the collection of the special assessment for the cost of constructing and laying of the district sewer in sewer district No. 1, adopted September 19, 1904, the city council cause sewer warrants to be issued, pursuant to the provisions of Section 11, of Chapter 312, General Laws of Minnesota for the year 1903, for the aggregate amount of \$9,300 in denominations of \$50 each bearing interest at the rate of six per cent per annum payable annually, such warrants to be issued in 6 different groups or series, representing \$2,000, to mature Oct. 1, 1905; the second group or series representing \$1,100 to mature December 1, 1905; the third group representing \$2,000 to mature Oct. 1, 1906; the fourth group representing \$1,100 to mature December 1, 1906; the fifth group representing \$2,000 to mature Oct. 1, 1907; and the sixth group representing \$1,100 to mature December 1, 1907."

This settles the sewer warrant question and the contractor will now be able to get his money. A motion prevailed that the clerk have the warrants printed as soon as possible so that they can be placed on the market. The clerk was also instructed to have the old warrants brought to the next council meeting so that they can be destroyed.

### SOME ROUTINE MATTERS.

Alderman Rowley moved that the matter of repairing the floor in the central hose house be referred to the fire committee. Motion carried.

On motion of Alderman Murphy the city clerk was instructed to notify the Northern Pacific to keep the Oak street crossing clear of cars.

Alderman Larson wanted to know what was doing in the dog license line. He was informed the \$300 had been collected and that the dog officer had jumped his job. Nothing further was done.

The city clerk was instructed to furnish a list of the delinquent electric light subscribers by the next meeting.

### MUSIC AND DRAMA.

"AN AMERICAN TRAMP," TONIGHT

Tonight "An American Tramp" appears at the Brainerd Opera house. In it Mr. Kidder attempts to show that with kindness and just appreciation of man, even if in rags, and the consequent respecting of his rights will impel even the most confirmed hobo to think he is on earth for a purpose. There is said to be a happy lot of wit in "An American Tramp." The cast contains the names of Mr. Jos. Kearney who plays "Happy Jack", Miss Irene Knapp, the little soubrette; Miss Edna Clayton, the well known comic opera singer; Miss Virginia Melville, a clever character Irishwoman. Prices have been reduced to 25, 50 and 75 cents, no extra for reserved seats.

Nettleton sells and rents houses. tf

Scratch, scratch, scratch; unable to attend to business during the day or sleep during the night. Itching piles, horrible plague. Doan's Ointment cures. Never fails. At any drug store, 50 cents.

D. M. Clark & Co. carry a full line of sash and doors and builders' hardware.

Sour stomach? Belching of gas? Try this prescription: One tablespoonful of Dr. Adler's Treatment 1 hour before each meal in 1/2 cup of hot water. It's a good one. Large dollar bottles at Johnson's Pharmacy.

D. M. Clark & Co. have a full line of pictures and picture frames.

### Y. M. C. A. Notes.

Last night there was a meeting of several young men at the Y. M. C. A. parlors and a debating class was organized. Secretary Flickwir was the chairman last night and Harry Butts was the secretary. Another meeting will be held on next Monday night when a committee composed of W. Barron, G. H. Thomas and C. Fuller will report on a constitution and by-laws. The young men expect to hold weekly debates through the winter months.

A junior class was organized at the Y. M. C. A. yesterday afternoon to take gymnasium work during the winter months. Rev. W. H. Walker, of the First Baptist church, who has been connected with the Y. M. C. A. work before, will have charge of the work.

## PERSUASIVE CLOTHES!

**WE** mean clothes that plead their own cause and show, in every line and seam the thought and talent devoted to their manufacture. Years ago we became conscious that radical revolution in clothes making was absolutely necessary to check and remove the growing discontent of a people who expect and insist upon an uplift in every form of human endeavor. We have bent every energy toward this "consummation devoutly to be wished," and today, in every American city and [practically every village, the KUPPENHEIMER models for fall and winter, which the foremost clothier is displaying, bear absolute evidence that the revolution you have demanded, is come. These clothes are so permeated with the germ of general excellence that no one short of a finished custom-tailor can equal them, and he doesn't even pretend to do it at our prices.

### FOR A GENERAL SEWER SYSTEM

City Engineer Woolman instructed to Prepare Plans and Estimates for Same at Once

LATERAL PETITIONS GRANTED

And the City Clerk Instructed to Advertise for Bids for Their Construction.

An adjourned meeting of the city council was held last night in chambers and the body really accomplished more business in the short time that it was in session than at any previous session in a long time. President Crust was in the chair and the following aldermen took their seats: Halladay, Murphy, Rowley, McGinn, Larson and Robertson.

The meeting was designed for a purpose last night and the members immediately proceeded to tackle two questions of importance, the question of the lateral sewers in the first sewer district in the second ward and the matter of sewer warrants for the payment of the

work on the district sewer.

There were three petitions in last night for lateral sewers in the Second ward. The first read was from residents living in blocks 110, 130, 172 and 190. These blocks are located between Third and Fourth streets and extend from Juniper street to Bluff avenue north. Engineer Woolman had plans and a profile drawn for this lateral and it shows that the line will run through the property at the rear end of the lots. There is no alley through these blocks, but the residents were anxious to have the lateral through so there was little or no difficulty in finding a way to construct the sewer.

The second petition was from residents in blocks 72, 74, 44 and 46. These four blocks compose a square taking in the territory between Juniper street on the north and Main street on the south and bounded on the east by Seventh and on the west by Fifth. The plans for this sewer, as drawn up by the city engineer, showed that the lateral would commence in the center of block 74 running west from there to Fifth street and thence north to connect with the main sewer. A branch will commence in the alley in block 46 and will run north to connect with the other branch in the center of block 72.

The third petition was from property

holders in blocks 40, 78, 100 and 140, which run between Main and Holly streets between Eighth and Ninth streets. The engineer had no plans drawn for this sewer, but it will be at the rear of the lots straight through the blocks.

A general discussion of the lateral sewer question was then indulged in. At the last meeting of the council some matters were referred to the sewer committee but this committee was not ready to make a report last night. Attorney Mantor was present and by his legal advice seemed to assist the council materially and they moved on his direction and seemed less timid about acting. He stated that it was not necessary that even a petition be presented from the property holders for these laterals; that the council had full power in the matter and could act as they saw fit.

A resolution was offered and passed granting these petitions and creating the laterals above referred to, the same being provided by Chapter 312, of the General Laws of Minnesota. The first one mentioned will be known as "Lateral Division D." There was but one alderman who voted against this resolution. It was Alderman Larson, but he seems to be opposed to the sewer proposition for some reason.

A motion then prevailed that City

Clerk Low advertise for bids for the construction of the first two named laterals, according to plans and specifications on file in his office, bids to be opened on October 24.

As there were no plans for the third named lateral it was necessary to have a separate motion. It was moved that the city clerk also advertise for bids for this lateral, providing that plans and a profile of the work to be done be furnished before the publication of the advertisement for bids.

A motion was made that it be specified that the work on these laterals be completed by December 15.

While dwelling on the sewer question there was considerable discussion regarding district sewers and laterals in other wards of the city, a matter which heretofore has not been considered to any extent. It seems that some of the other wards are anxious to get in sewers at once, particularly the Third ward, and the representatives from this ward were anxious that specific action be taken last night.

In this connection Alderman Rowley was of the opinion that decisive action should be taken regarding sewerage in all of the wards of the city, not the Third ward alone, and was in favor of instructing the city engineer to proceed to furnish plans and an approximate estimate of the cost of the district and lateral sewers in each ward in the city where it is deemed that sewerage is an absolute necessity. Much opposition was raised to this plan by Alderman Halladay and President Crust who thought that the Third ward ought to be laid out as district No. 2 and that the engineer should proceed to lay out the sewers in sections. Alderman Rowley stated that he had no objection and in fact was willing to embody in a motion that the engineer do his work first in the Third ward.

Attorney Mantor brought up a point in connection with the sewers that set the aldermen to thinking. He stated that should the next census disclose that Brainerd has a population to exceed 10,000, in his opinion, the law providing for these sewers would become inoperative. This put the council on its metal and some of the members were more anxious than ever that decisive action regarding a general sewerage system throughout the city be taken.

A motion was made, therefore, that City Engineer Woolman be instructed to go ahead and make plans and furnish estimates for a sewerage system, including district and lateral sewers, for the entire city, but that he proceed with the Third ward first. The motion carried and Engineer Woolman will proceed to get busy.

#### THE SEWER WARRANTS.

A very important transaction last night and one which has been anxiously looked for was the provision made for the payment of the expense incurred in putting in the Second ward district sewer. Up to the present time the contractor who has done this work has not had a dollar, because no provision was made for the expense. Under the law, which has been rehearsed in these columns before, the council has a right to issue sewer warrants. In the first place this was done and the warrants were printed, but the banks of the city were not satisfied with the form and it had to be all done over again. The banks' representative, Judge Mantor, was secured to prepare the warrants and last night they were read, and the following was, on motion of Alderman Robertson, unanimously adopted:

"Moved, that in the anticipation of the collection of the special assessment for the cost of constructing and laying of the district sewer in sewer district No. 1, adopted September 19, 1904, the city council cause sewer warrants to be issued, pursuant to the provisions of Section 11, of Chapter 312, General Laws of Minnesota for the year 1903, for the aggregate amount of \$9,300 in denominations of \$50 each bearing interest at the rate of six per cent per annum payable annually, such warrants to be issued in 6 different groups or series, representing \$2,000, to mature Oct. 1, 1905; the second group or series representing \$1,100 to mature December 1, 1905; the third group representing \$2,000 to mature Oct. 1, 1906; the fourth group representing \$1,100 to mature December 1, 1906; the fifth group representing \$2,000 to mature Oct. 1, 1907; and the sixth group representing \$1,100 to mature December 1, 1907."

This settles the sewer warrant question and the contractor will now be able to get his money. A motion prevailed that the clerk have the warrants printed as soon as possible so that they can be placed on the market. The clerk was also instructed to have the old warrants brought to the next council meeting so that they can be destroyed.

#### SOME ROUTINE MATTERS.

Alderman Rowley moved that the matter of repairing the floor in the central hose house be referred to the fire committee. Motion carried.

On motion of Alderman Murphy the city clerk was instructed to notify the Northern Pacific to keep the Oak street crossing clear of cars.

Alderman Larson wanted to know what was doing in the dog license line. He was informed the \$300 had been collected and that the dog officer had jumped his job. Nothing further was done.

The city clerk was instructed to furnish a list of the delinquent electric light subscribers by the next meeting.

### MUSIC AND DRAMA.

#### "AN AMERICAN TRAMP," TONIGHT

Tonight "An American Tramp" appears at the Brainerd Opera house. In it Mr. Kidder attempts to show that with kindness and just appreciation of man, even if in rags, and the consequent respecting of his rights will impel even the most confirmed hobo to think he is on earth for a purpose. There is said to be a happy lot of wit in "An American Tramp". The cast contains the names of Mr. Jos. Kearney who plays "Happy Jack", Miss Irene Knapp, the little soubrette; Miss Edna Clayton, the well known comic opera singer; Miss Virginia Melville, a clever character Irishwoman. Prices have been reduced to 25, 50 and 75 cents, no extra for reserved seats.

Nettleton sells and rents houses. tf

Scratch, scratch, scratch: unable to attend to business during the day or sleep during the night. Itching piles, horrible plague. Doan's Ointment cures. Never fails. At any drug store, 50 cents.

D. M. Clark & Co. carry a full line of sash and doors and builders' hardware.

Sour stomach? Belching of gas? Try this prescription: One tablespoonful of Dr. Adler's Treatment 1 hour before each meal in 1/2 cup of hot water. It's a good one. Large dollar bottles at Johnson's Pharmacy.

D. M. Clark & Co. have a full line of pictures and picture frames.

#### Y. M. C. A. Notes.

Last night there was a meeting of several young men at the Y. M. C. A. parlors and a debating class was organized. Secretary Flicker was the chairman last night and Harry Butts was the secretary. Another meeting will be held on next Monday night when a committee composed of W. Barron, G. H. Thomas and C. Fuller will report on a constitution and by-laws. The young men expect to hold weekly debates through the winter months.

A junior class was organized at the Y. M. C. A. yesterday afternoon to take gymnasium work during the winter months. Rev. W. H. Walker, of the First Baptist church, who has been connected with the Y. M. C. A. work before, will have charge of the work.

When tired of paying rent, see Nettleton—Get a home—easy. tf

Let us speak of man as we find him, And censure only what we can see, Remembering that no one can be perfect, Unless he uses Rocky Mountain Tea. H. P. Dunn & Co.

## PERSUASIVE CLOTHES!

**WE** mean clothes that plead their own cause and show, in every line and seam the thought and talent devoted to their manufacture. Years ago we became conscious that radical revolution in clothes making was absolutely necessary to check and remove the growing discontent of a people who expect and insist upon an uplift in every form of human endeavor. We have bent every energy toward this "consummation devoutly to be wished," and today, in every American city and [practically] every village, the KUPPENHEIMER models for fall and winter, which the foremost clothier is displaying, bear absolute evidence that the revolution you have demanded, is come. These clothes are so permeated with the germ of general excellence that no one short of a finished custom-tailor can equal them, and he doesn't even pretend to do it at our prices.

## FOR A GENERAL SEWER SYSTEM

City Engineer Woolman Instructed  
to Prepare Plans and Esti-  
mates for Same at Once

LATERAL PETITIONS GRANTED

And the City Clerk Instructed to  
Advertise for Bids for Their  
Construction.

An adjourned meeting of the city council was held last night in chambers and the body really accomplished more business in the short time that it was in session than at any previous session in a long time. President Crust was in the chair and the following aldermen took their seats: Halladay, Murphy, Rowley, McGinn, Larson and Robertson.

The meeting was designed for a purpose last night and the members immediately proceeded to tackle two questions of importance, the question of the lateral sewers in the first sewer district in the second ward and the matter of sewer warrants for the payment of the

work on the district sewer.

There were three petitions in last night for lateral sewers in the Second ward. The first read was from residents living in blocks 110, 130, 172 and 190. These blocks are located between Third and Fourth streets and extend from Juniper street to Bluff avenue north. Engineer Woolman had plans and a profile drawn for this lateral and it shows that the line will run through the property at the rear end of the lots. There is no alley through these blocks, but the residents were anxious to have the lateral through so there was little or no difficulty in finding a way to construct the sewer.

The second petition was from residents in blocks 72, 74, 44 and 46. These four blocks compose a square taking in the territory between Juniper street on the north and Main street on the south and bounded on the east by Seventh and on the west by Fifth. The plans for this sewer, as drawn up by the city engineer, showed that the lateral would commence in the center of block 74 running west from there to Fifth street and thence north to connect with the main sewer. A branch will commence in the alley in block 46 and will run north to connect with the other branch in the center of block 72.

The third petition was from property

holders in blocks 40, 78, 100 and 140, which run between Main and Holly streets between Eighth and Ninth streets. The engineer had no plans drawn for this sewer, but it will be at the rear of the lots straight through the blocks.

A general discussion of the lateral sewer question was then indulged in. At the last meeting of the council some matters were referred to the sewer committee but this committee was not ready to make a report last night. Attorney Mantor was present and by his legal advice seemed to assist the council materially and they moved on his direction and seemed less timid about acting. He stated that it was not necessary that even a petition be presented from the property holders for these laterals; that the council had full power in the matter and could act as they saw fit.

A resolution was offered and passed granting these petitions and creating the laterals above referred to, the same being provided by Chapter 312, of the General Laws of Minnesota. The first one mentioned will be known as "Lateral Division D." There was but one alderman who voted against this resolution. It was Alderman Larson, but he seems to be opposed to the sewer proposition for some reason.

A motion then prevailed that City

Clerk Low advertise for bids for the construction of the first two named laterals, according to plans and specifications on file in his office, bids to be opened on October 24.

As there were no plans for the third named lateral it was necessary to have a separate motion. It was moved that the city clerk also advertise for bids for this lateral, providing that plans and a profile of the work to be done be furnished before the publication of the advertisement for bids.

A motion was made that it be specified that the work on these laterals be completed by December 15.

While dwelling on the sewer question there was considerable discussion regarding district sewers and laterals in other wards of the city, a matter which heretofore has not been considered to any extent. It seems that some of the other wards are anxious to get in sewers at once, particularly the Third ward, and the representatives from this ward were anxious that specific action be taken last night.

In this connection Alderman Rowley was of the opinion that decisive action should be taken regarding sewerage in all of the wards of the city, not the Third ward alone, and was in favor of instructing the city engineer to proceed to furnish plans and an approximate estimate of the cost of the district and lateral sewers in each ward in the city where it is deemed that sewerage is an absolute necessity. Much opposition was raised to this plan by Alderman Halladay and President Crust who thought that the Third ward ought to be laid out as district No. 2 and that the engineer should proceed to lay out the sewers in sections. Alderman Rowley stated that he had no objection and in fact was willing to embody in a motion that the engineer do his work first in the Third ward.

Attorney Mantor brought up a point in connection with the sewers that set the aldermen to thinking. He stated that should the next census disclose that Brainerd has a population to exceed 10,000, in his opinion, the law providing for these sewers would become inoperative. This put the council on its metal and some of the members were more anxious than ever that decisive action regarding a general sewerage system throughout the city be taken.

A motion was made, therefore, that City Engineer Woolman be instructed to go ahead and make plans and furnish estimates for a sewerage system, including district and lateral sewers, for the entire city, but that he proceed with the Third ward first. The motion carried and Engineer Woolman will proceed to get busy.

### THE SEWER WARRANTS.

A very important transaction last night and one which has been anxiously looked for was the provision made for the payment of the expense incurred in putting in the Second ward district sewer. Up to the present time the contractor who has done this work has not had a dollar, because no provision was made for the expense. Under the law, which has been relapsed in these columns before, the council has a right to issue sewer warrants. In the first place this was done and the warrants were printed, but the banks of the city were not satisfied with the form and it had to be all done over again. The banks' representative, Judge Mantor, was secured to prepare the warrants and last night they were read, and the following was, on motion of Alderman Robertson, unanimously adopted:

"Moved, that in the anticipation of the collection of the special assessment for the cost of constructing and laying of the district sewer in sewer district No. 1, adopted September 19, 1904, the city council cause sewer warrants to be issued, pursuant to the provisions of Section 11, of Chapter 312, General Laws of Minnesota for the year 1903, for the aggregate amount of \$9,300 in denominations of \$50 each bearing interest at the rate of six per cent per annum payable annually, such warrants to be issued in 6 different groups or series, representing \$2,000, to mature Oct. 1, 1905; the second group or series representing \$1,100 to mature December 1, 1905; the third group representing \$2,000 to mature Oct. 1, 1906; the fourth group representing \$1,100 to mature December 1, 1906; the fifth group representing \$2,000 to mature Oct. 1, 1907; and the sixth group representing \$1,100 to mature December 1, 1907."

This settles the sewer warrant question and the contractor will now be able to get his money. A motion prevailed that the clerk have the warrants printed as soon as possible so that they can be placed on the market. The clerk was also instructed to have the old warrants brought to the next council meeting so that they can be destroyed.

### SOME ROUTINE MATTERS.

Alderman Rowley moved that the matter of repairing the floor in the central hose house be referred to the fire committee. Motion carried.

On motion of Alderman Murphy the city clerk was instructed to notify the Northern Pacific to keep the Oak street crossing clear of cars.

Alderman Larson wanted to know what was doing in the dog license line. He was informed the \$300 had been collected and that the dog officer had jumped his job. Nothing further was done.

The city clerk was instructed to furnish a list of the delinquent electric light subscribers by the next meeting.

## LIST IS NO LARGER

NUMBER OF PEOPLE KILLED IN  
NEWMARKET (TENN.) WRECK  
IS STILL SIXTY-TWO.

DEBRIS IS ALL CLEARED UP

MASS OF KINDLING WOOD AND  
PIECES OF DECAYED FLESH  
DESTROYED BY FIRE.

Knoxville, Tenn., Sept. 27.—No additional deaths of injured occurred Monday and the death list of the Southern wreck near Newmarket, on Saturday last, still stands at sixty-two. All of the injured at the Knoxville general hospital are reported doing well and only four or five are so desperately injured that death may result from their injuries.

A body which was identified early Sunday morning as that of D. S. Fox of Birmingham, Ala., and sent to that city, was returned here Monday accompanied by two brothers of Mr. Fox. The body supposed to have been that of D. S. Fox turned out to be that of J. M. Daly, a commercial traveler of Detroit, Mich. The brothers of Mr. Fox went to the morgue and identified a body there as that of their brother. The mistake must have been made by searchers at the wreck who put Mr. Fox's papers in the pocket of the Daly body.

Monday was a day of sorrow for this city. No less than twelve funerals of victims of the wreck were held. One was a double funeral where two aged sisters were buried; at another mother and daughter were buried and at another, service was said for a mother and her two little children.

Monday at the scene of the disaster, a huge bonfire was built and the mass of kindling wood was burned, together with small pieces of decaying flesh.

Only five bodies now remain to be identified. Four are white men and one colored.

### Fearful Odds Against Him.

Bedridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitter. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by H. P. Dunn & Co., druggists.

New line cut glass at D. M. Clark & Co.

## AMAZING LACK OF DISCIPLINE.

Russian Officers Punished for Various Offenses.

London, Sept. 27.—The Daily Mail's Liaoyang correspondent says: "The discovery in abandoned Russian headquarters here of a number of documents and orders from Viceroy Alexieff cashiering officers for abandoning positions and for drunkenness, etc., and censuring officers for lawless treatment of Chinese, waste of ammunition and other offenses, proves an amazing lack of discipline in General Kuropatkin's army."

### What is Life?

In the last analysis nobody knows but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly re-adjust this. It's gentle, yet thorough. Only 25c at H. P. Dunn & Co.'s drug store.

### KILLED WIFE AND HIMSELF.

North Carolina Man Also Tried to Murder His Stepdaughter.

Kernersville, N. C., Sept. 27.—Louis F. Carmichael, a carpenter by trade, aged sixty-four years, Monday killed his wife, aged fifty years, seriously wounded his twelve-year-old stepdaughter and then cut his own throat with a razor and shot himself with a pistol.

Mr. Carmichael and his wife separated several weeks ago.

Sunday he went to her and told her that if she did not consent to live with him again he would kill her before Monday night.

Don't delay a minute. Cholera infantum, dysentery, diarrhea come suddenly. Only safe plan is to have Dr. Fowler's Extract of Wild Strawberry always on hand.

### NINE THOUSAND RETURN.

Harvester Works Employees Go Back to Labor as Individuals.

Chicago, Sept. 27.—Nine thousand men returned to work without union regulations of any sort Monday when the three Chicago branches of the International Harvester works and the Pullman company reopened their shops after a shut down of two weeks. The men not only returned to their former places as individuals, but they also agreed to reductions ranging from 10 to 20 per cent.

D. M. Clark & Co. oldest installment house in city. Easy Terms.

### Bucklen's Arnica Salve

Has world-wide fame for marvellous cures. It surpasses any other salve, lotion, ointment or balm for cuts, corns, burns, boils, sores, felons, ulcers, tetter, salt rheum, fever sores, chapped hands, skin eruptions; infallible for piles. Cure guaranteed. Only 25c at H. P. Dunn & Co., Druggists.

## VISITS PRESIDENT ROOSEVELT.

Chairman Cortelyou Discusses Political Situation With Him.

Washington, Sept. 27.—Chairman Cortelyou of the Republican national committee, who arrived here from New York late Monday afternoon, was in conference with President Roosevelt until midnight regarding the political situation. He gave the president a resume of what is being done in the various states, especially in New York, and his opinion of the present condition of political affairs. Mr. Cortelyou declined to make any statement regarding his talk with the president except in the most general terms. He will leave for New York Tuesday.

### Low Rate to Eastern Points

will always apply via the Nickel Plate road and its eastern connections to all points in New York, New England and eastern states. Three daily trains to Ft. Wayne, Findlay, Cleveland, Erie, Buffalo, New York and Boston. Standard equipment on all trains. Meals served in dining cars on American club plan, ranging in price from 35c to \$1.00 per meal; also service a la carte and mid-day luncheon 50c. The eastern terminals of the Nickel Plate road are only from three to ten minutes from all ocean steamship docks, and the service afforded is first-class. No excess fare charged on any train. For particulars, call on or address John Y. Calahan, General Agent, 113 Adams St., room 298, Chicago, Ill. Chicago depot, La Salle and Van Buren Sts. t&f Sept

### A Boy's Wild Ride for Life.

With family around expecting him to die, and a son riding for life, 18 miles to get Dr. King's New Discovery for consumption, coughs and colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of consumption, pneumonia, bronchitis, coughs, colds and grip prove its matchless merit for all throat and lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at H. P. Dunn & Co.'s drug store.

### DEMOCRATIC HEADQUARTERS.

Those in the West Will Be Established at French Lick Springs, Ind.

New York, Sept. 27.—It is understood that Western headquarters for the Democratic national committee will be established at French Lick Springs, Ind., early next month, and in all probability will be under the direction of Thomas Taggart, chairman of the national committee. From French Lick the campaign will be directed in the states of Indiana, Illinois, Wisconsin, Ohio, Kentucky, Michigan, Missouri, Iowa and all the far Western states where there is the possibility of winning electoral votes.

# COLE'S HOT BLAST

## Wonderful Heater and Fuel Saver

### Cost of Stove Saved in Fuel

As you know over one-half of the available heat in hard coal and soft coal is lost with the ordinary stove. The extent of unburned gases in hard coal is shown by opening the magazine cover of a base burner when the extra oxygen supplied fills the entire stove with flaming gas. The entire gas supply for both fuel and illumination in many cities and towns is made from ordinary soft coal. Other stoves allow this gas half of the fuel to pass up the chimney unburned thus wasting it as a heat producer, because they are not gas tight and do not furnish superheated oxygen above the fuel where the gas is wasting.

### The Original Cole's Hot Blast Stove

by means of the Patented Hot Blast Draft used in connection with other patented features, distills this gas from the upper surface of the coal, utilizing it as a heat producer along with the fixed carbon in the coal, thus making \$5.00 worth of hard coal, soft coal or lignite or a \$2.00 ton of slack or coal siftings do the work of twice the amount of fuel in other stoves.

### For Soft Coal or Hard Coal

Cole's Hot Blast is Air-Tight and guaranteed to remain so. Imitations open at the seams and leak at the joints, making them fuel eaters rather than fuel savers. Cole's Hot Blast is so perfect in construction that fire keeps all night, and when the draft is opened in the morning will burn two or three hours with the fuel put in the night before. No other stove does this. Fire, therefore, never goes out, and the rooms are kept at an even temperature all the time.

With Your Old Stove the fire is always out the coldest morning and your plants are often frozen. Even when it does keep fire over night the house is cold in the morning and you go to breakfast shivering with cold. Besides the unsatisfactory result it gives it is eating up the price of a new stove every winter.

You can enjoy the luxury of getting up in warm rooms every morning and only kindle one fire a year by purchasing a Cole's Original Hot Blast. The Cost of the Stove is Saved in the Fuel. Read carefully the guarantee which is one that cannot be made on any other stove manufactured in the world.

NOTE—Cole's Hot Blast has many imitations. But they all lack these special features because our stoves are fully patented and protected. The name, "Cole's Hot Blast from Chicago" will be found on the feed door of each stove. Be sure that you get the "Original Hot Blast."
